ZILZIE WINES

2026 Pinot Grigio

Colour: Fresh pale straw with vibrant highlights.

Aroma: Subtle spring florals and delicate apple aromas.

Palate: Fresh pear and lively citrus balanced by a clean mineral edge.

Winemaking

Harvested during the cool of the night to retain freshness and bright fruit expression, the fruit was cool fermented in individual stainless steel batches. Gentle lees stirring added texture and palate length before blending, stabilisation, filtration, and bottling.

Vintage

Vintage 2026 saw an early and fast-paced harvest across the region. The accelerated ripening of multiple varieties resulted in a condensed harvest period which called for careful timing and considered fruit selection to capture optimum ripeness and quality at its finest. The wines show bright varietal character, with vibrant fruit-driven reds and lively, aromatic whites.

Enjoy with

Garlic butter chicken with crispy chat potatoes, or a spring vegetable pasta with lemon and parmesan.

Vintage: _____ 2026

Varietals: _____ Pinot Grigio

Region: _____ Victoria

Cellaring: _____ Enjoy on release or within 2 years

Alc/Vol: _____ 12.5%

pH: _____ 3.30
